Information Sheet for Surgery

- **DAY WARD:** Is a mixed sex ward and all surgical patients will be prepared for their procedure in a sideroom. You will be asked to shower and once you are ready you will be directed to the lounge where there are a range of comfortable chairs available. If you have any mobility issues, please contact the Day Ward on 01223 638150 as soon as possible.
- The Day Ward will be your admission ward only. Following your stay in critical care, you will be moved to a surgical ward. You and your family will be advised of the specific ward.
- **PROPERTY**
Please do not bring jewellery, credit cards or large sums of cash to the hospital. Please ensure you have removed any nail polish, gel nails and false nails before coming into hospital.
- **TRANSPORT:** It is **your** responsibility to arrange your own transport to and from the hospital. If you feel you have a medical need or are unsure whether you qualify for hospital transport, **please contact your GP** who will be able to provide you with the relevant details. You will be asked a series of medical questions to assess your eligibility on medical grounds. **Please bring your booking reference and transport telephone number to your appointment to ensure that a return journey is booked if needed.**
- **MEDICATION:** Please bring all your current medication in their appropriate boxes/bottles.
- Your medication will be discussed with the Cardiac Support Nurses either by telephone, or at Pre-Admission clinic, prior to surgery.
- **CANCELLATIONS:** Royal Papworth Hospital takes emergency admissions for life saving surgery and transplantation. An increase in such emergencies could result in your procedure being cancelled. Should this happen you will be discharged home and will be provided with a new operation date within the following 28 days.
- **EXPECTED STAY:** We anticipate that you will stay in hospital for 5-7 days following your procedure.
- **PARKING:** Parking is available for patients in Car Park 2, located next to the hospital. However, we encourage patients to travel to the hospital via public transport, including the nearby Park & Ride sites, where possible. Blue Badge holders will be eligible to park in the disabled bays on levels 1-4 of Car Park 2, or in one of four dedicated spaces directly outside the hospital. For more information about getting to our new hospital, please visit our website.
- **DATA PROTECTION:** Royal Papworth Hospital NHS Foundation Trust is committed to adhering to all Data Protection Legislation, including the General Data Protection Regulations, that came into force in May 2018. If you would like more information with regard to how we process your information, please visit our website here:
